

NEW PARKING GARAGE AND RENTAL CAR FACILITY COMING 2019

*Thank you for your patience while we work
to improve your travel experience!*

OMA in Motion
ENHANCING YOUR CUSTOMER EXPERIENCE

PUBLIC PARKING

- 2,000 new spaces on upper four levels means more covered parking will be available when you need it
- Conveniently located a short walk away - you'll be in the terminal or back to your car within minutes
- Designed with energy efficient lighting, improved vehicular flow, and direct access from Abbott Drive

RENTAL CAR FACILITY

- A quick walk to the customer service building will have you at the new rental car counters shortly after you arrive
- A climate controlled walkway to the customer service building keeps you comfortable and protects you from the elements
- Rental car spaces that are just a short escalator ride to the lower two levels will have you on your way in no time

WHAT TO EXPECT

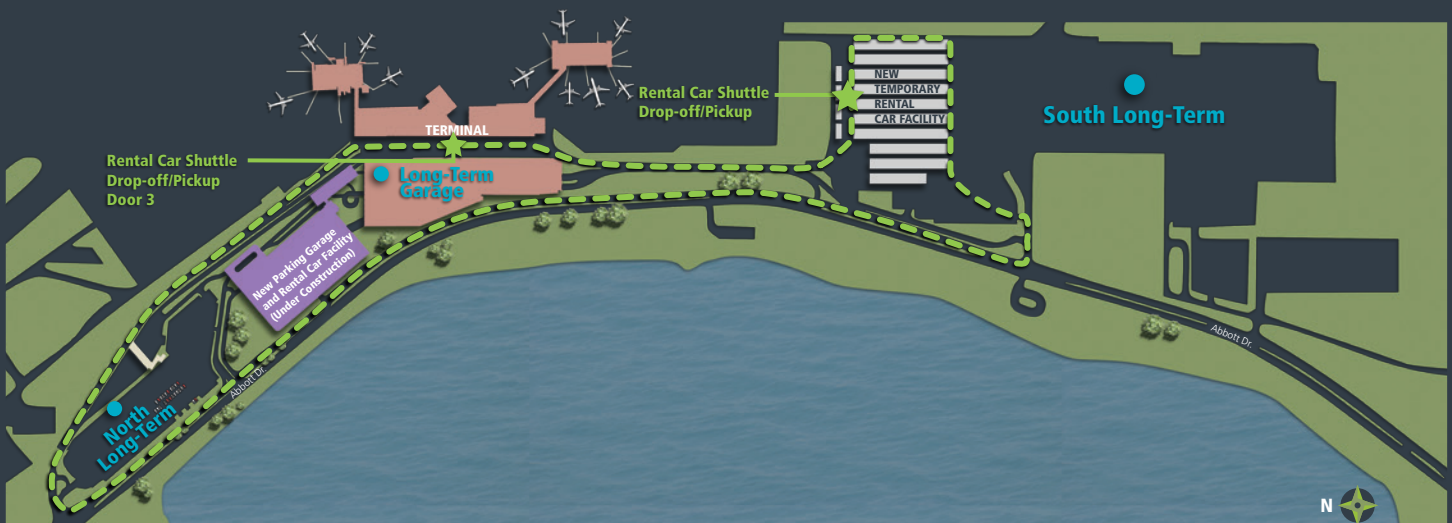

PUBLIC PARKING

- The existing Surface Lot will close on 04/13/2017 to make way for construction of a New Parking Garage and Rental Car Facility
- The existing Canopy Lot will close on 04/13/2017 to accommodate a temporary Rental Car Pick-up and Return Lot during construction of the New Parking Garage and Rental Car Facility
- Any vehicles remaining in the Surface Lot or the Canopy Lot following 05/01/2017 will be relocated to the South Long-Term Economy Parking Lot
- Alternative parking options are available at the following locations:

South Long Term Economy	\$6.00/day
North Long Term Economy	\$7.00/day
Long Term Parking Garage	\$16.00/day

RENTAL CAR FACILITY

- The existing Rental Car Pick-up and Return Lot will close at 4:00 am on 05/10/2017 to make way for construction of a New Parking Garage and Rental Car Facility
- A new temporary Rental Car Pick-up and Return Lot will open under the canopies near the South Long-Term Parking Lot on 05/10/2017
- All vehicles returned on or after 05/10/2017 must be returned to the new temporary Rental Car Return Lot under the canopies near the South Long-Term Parking Lot - follow the roadway signs along Abbott Drive to the new location
- To access the new temporary Rental Car Pick-up and Return Lot from the terminal, a consolidated shuttle bus for all rental car companies will be provided on the center island outside of Door 3
- All existing rental car counters will remain on the lower level of the terminal building near Door 3 until the new Parking Garage and Rental Car Facility opens in 2019

For any issues related to your *parking or rental car shuttle* experience, please contact ABM Parking Services at (402) 346-2466
